How to Become a Member

Why Membership Matters

Membership at Elkin Valley is very important for several reasons. First, it demonstrates your commitment to the Lord's work here in Elkin. Second, membership opens up service opportunities and privileges that are only available to members. Third, membership places you into deeper community. At Elkin Valley, membership is reserved for baptized believers who have received the gift of salvation and made a personal commitment to the Lord.

Steps to become a member:

- 1. Express a desire for membership. Fill out a membership application and turn it in at the office or give it to a church staff member. Applications are available in the lobby of the worship center or on our website under the "About" tab. You will then be considered a candidate for membership.
2. Attend our Exploring Church Membership Class. As a member candidate, you will be introduced to Elkin Valley's mission and work through this class. The class also helps you to find your place at Elkin Valley.
